

INNOVATIVE INDUSTRIAL SOLUTIONS

Unreal Innovation. Real Solutions.

November 1, 2017

Innovative Industrial Solutions, Inc. is pleased to announce the 18th annual Remote Monitoring Technologies & Custom Shielding Benchmark meeting, which is being held June 25th-June 29th 2018, with training on the 29th. We moved our meeting based on not interfering with other meetings typically held in July. The primary focus of this meeting is Remote Communication Technology, Training for Remote Job Coverage and new Innovative Technologies. We are hosting this meeting at the Sheraton Sand Key Resort in Clearwater, Florida. Several current Utility users will share their past and current experiences with you in this area of Remote Technology covering IP Video, Audio, Telemetry, and Shielding technology implementation explaining how it has improved their current CRE numbers by improving time management. Several other vendors some with Remote Monitoring Technologies and custom shielding products will be in attendance demonstrating their technologies in the exhibit room as well as making presentations on the different benefits that their particular technology has to offer. The intent of this meeting is to provide you a format to Benchmark many of the current Remote Technologies in use in the nuclear industry today, and some that will be implemented in the near future to assist with the goals and objectives of the Nuclear Promise!!!

IIS will be providing software and hardware training to all current IIS software product users, registration for the training is required. This training will all be conducted on the 29th, the last day of the meeting. The cost for this training is \$200. The meeting attendee cost is \$250 and does not include training.

All room reservations are to be made directly with the resort by each individual attendee. Please call 727-595-1611.

You must identify that you are with the Innovative Industrial Solutions Inc. meeting to receive the group rate of \$182 single, \$182 double, \$192 triple and \$192 Quad. Please mention reservation code IF21AA to the reservation agent.

Reservations must be made by May 24, 2018 to be eligible for the group rate. After the cut-off date, it is at hotel's discretion whether to accept additional reservations, which will be subject to prevailing rates and availability.

Please call me with any questions or comments at 479-890-8503 ext. 111. My cell phone number is 479-857-6200.

Registration form is on page 3 and must be faxed or e-mailed back to us by May 25th, 2018.

We take all credit cards and accept checks for meeting attendance payment.

Sincerely
